LE FENTONNIEN

Stephanie,

I am writing in this book ~~so~~ what I can say in words. As you know there is somethings you just can't say. We have been friends for a quite awhile, hope it will be for another while, too. We have had many good times together and I am ~~st~~ sure we shall have more. We have both had our differences, but we have always seem to patch things ~~of~~ up. I have always told you everything (almost everything, but you know what I mean) my problems, enjoyments,

and other things & like that. I am glad that you understand and even if you don't you sure act like it. You still have more years in school than I do, you are a great little cheerleader, and a great person. Take some advice from me, Stay that way, you will never be sorry. There is still alot I can say but you probably know how I feel. Take care, and don't ever forget me, I am sure I shall never forget you. Love & always,  
(D-n-G)  
Debbie (SR)

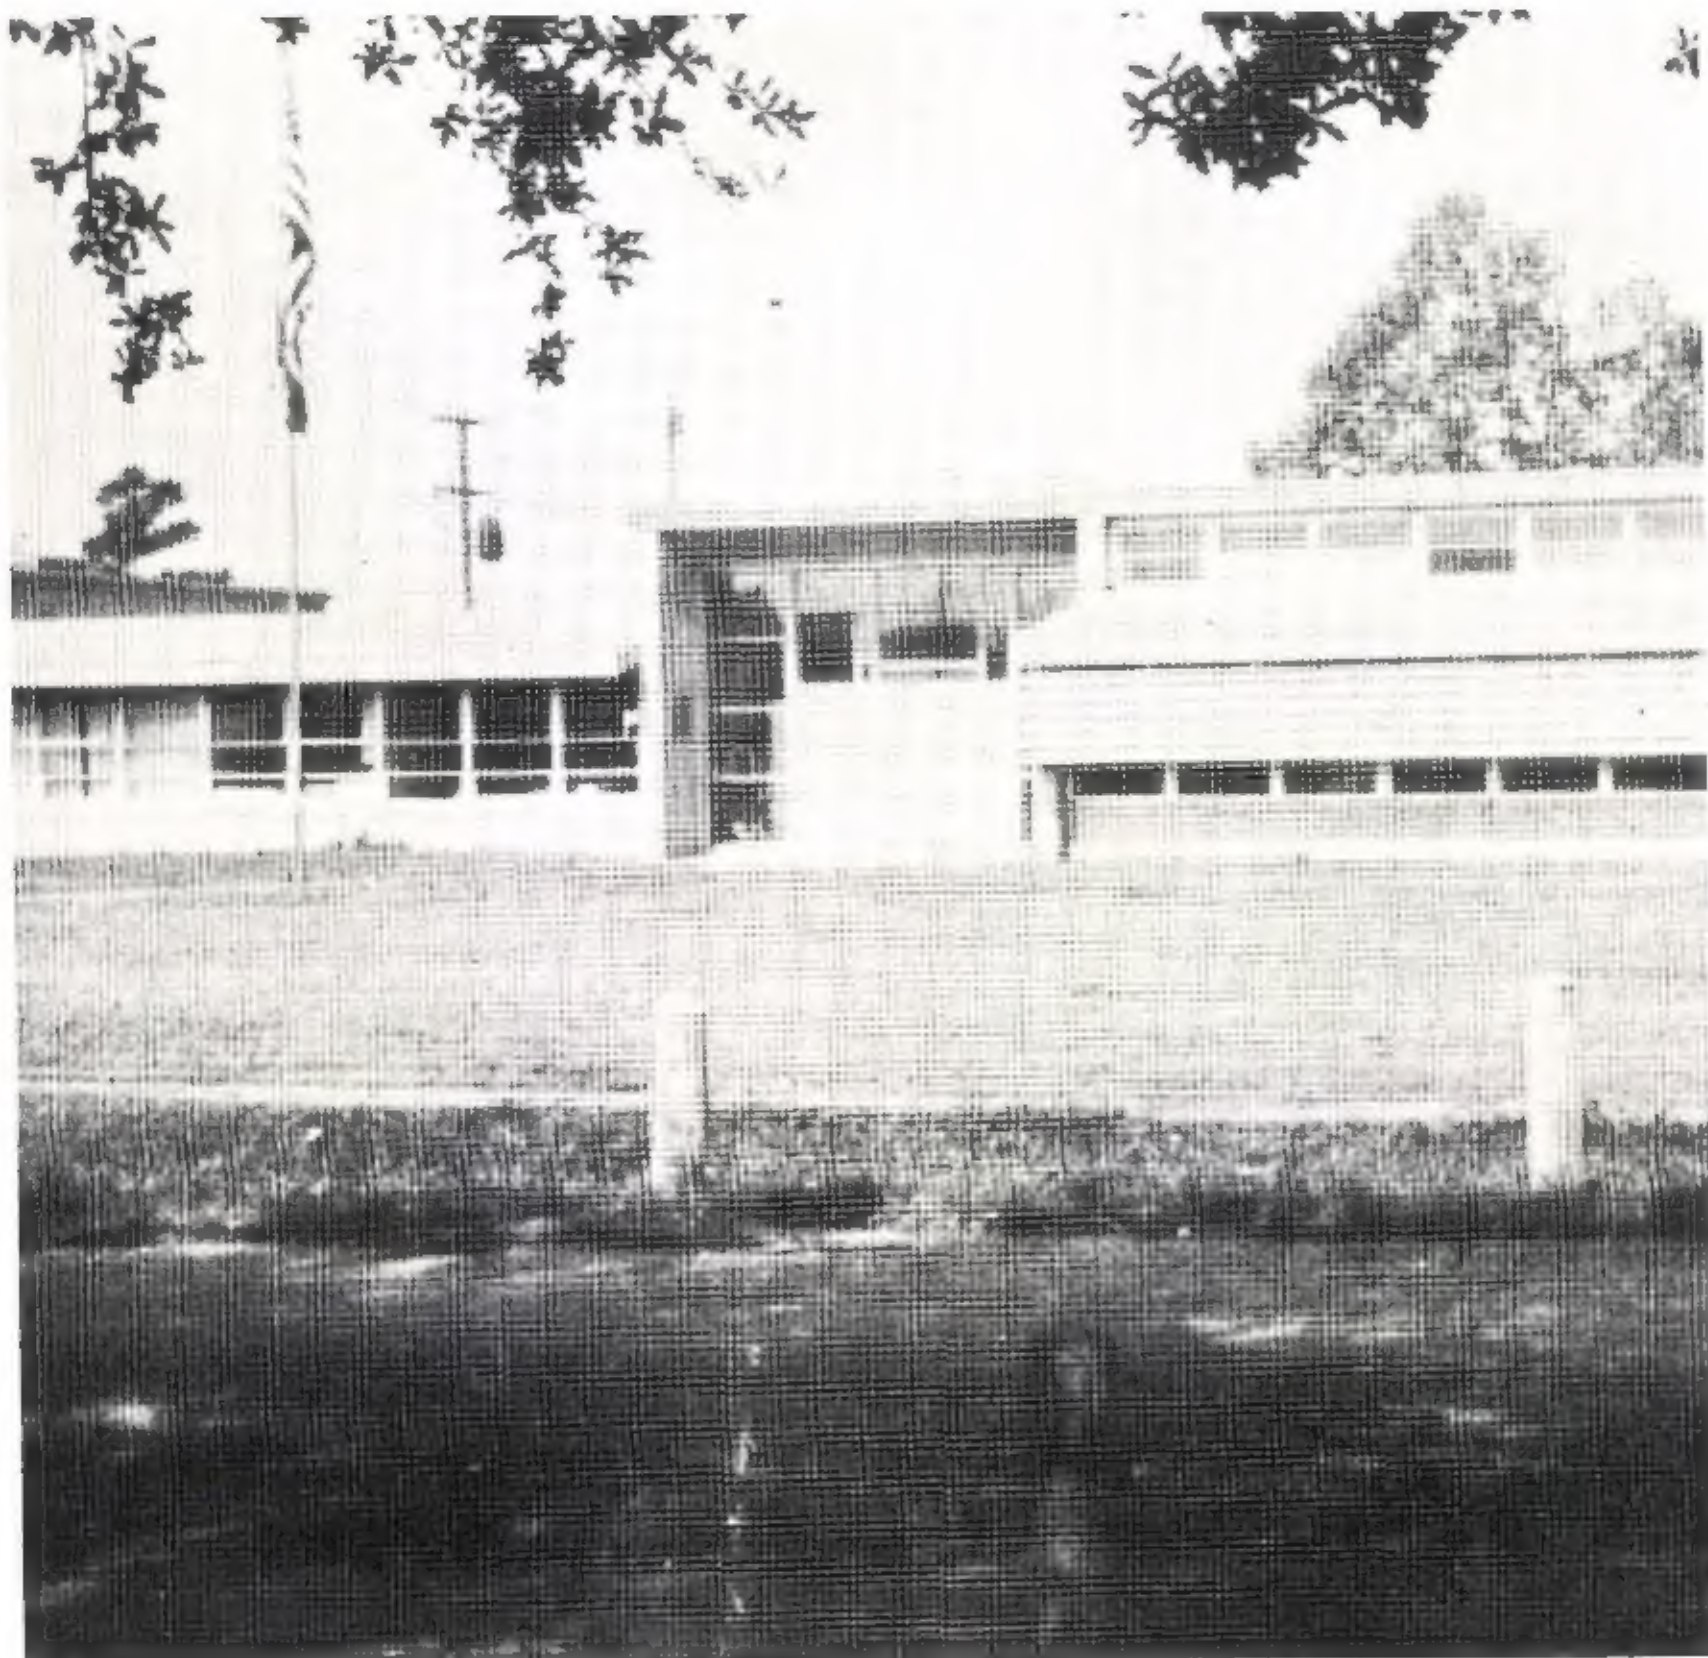

It was  
a very  
good  
year!

# The Fenton High School Annual Staff

Proudly Presents  
**THE**  
**1975 LE FENTONIEN**

Now that I have finished my education at Fenton High, I realize just how much these years have meant to me.

I hope this edition of the Le Fentonien will help you remember all those "special moments."

I wish to thank the staff for help making this annual possible.

Special thanks goes to our advisor, Mr. Buck, for the time and patience he has given us.

Thanks also goes to our photographer, Mrs. Kennedy.

I personally would like to thank Pam Langley and Lynn LeDoux for their constant help which I could not have done without.

Sincerely yours,

*Susie Palmer*

Susie Palmer

MRS. ALMEDA MELENDY

We would like to dedicate our annual to a very special lady, Mrs. Melendy. I am sure she will be loved and remembered by all.

Dear Class of 1975:

During this past year your school has accomplished some important goals. Fenton High School, with the hard work and co-operation of all, became accredited with the Southern Association of Colleges and Schools. In academic and extracurricular activities we had a most successful year.

I hope that each of you may personally look back on this year and remember it as being one that was successful and rewarding for you.

The faculty and myself hope each of you will seek worthy endeavors and be rewarded with success for your efforts.

Yours truly,

A handwritten signature in cursive script that reads "Roy D. Greene".

I've learned how to handle  
Parents and teachers,  
I've learned how to yell  
My head off in bleachers,  
I've learned how to rise  
And be bright-eyed by seven,  
I've learned an old Chevy  
Can carry eleven,  
I've learned how to "wear out"  
A new pair of jeans  
And other techniques  
For surviving the "teens,"  
I've learned how to get  
And get out of a date -  
So I guess I'm ready to graduate!
